

Online Banking System Requirements

Effective April 11, 2017, we will be enhancing our online banking security. This is occurring so that we can maintain the highest standards for our data security and to align with industry requirements.

To help ensure that you do not experience unnecessary service interruptions, please verify you are using a supported computer operating system (OS) and internet browser as indicated below.

Operating Systems

Microsoft Windows 7, 8.0, 8.1 and 10

Macintosh OSX

Note: If you are using Microsoft Windows XP or Vista they are no longer being supported by Microsoft nor our service provider therefore you will need to upgrade to a newer operating system.

How do I know which version of Windows I am running?

Visit [Microsoft's operating system page](#) to find out; the webpage detects the version you are running and outlines how you can check other PCs as well.

Microsoft Window Browsers & Versions

Microsoft Edge®

Internet Explorer® 11+

Mozilla Firefox® 27+

Google Chrome™ 38+

Mac Browsers & Versions

Apple Safari® 5+

Mozilla Firefox® 27+

Google Chrome™ 38+

Don't know what browser or version you have?

You can visit www.WhatIsMyBrowser.com to find out.

If your operating system or internet browser is not listed above then you will need to visit your preferred provider's website to download their most recent version.
